FROM THE BOTTOM UP - WICKING BEDS

Thursday 7 September at 10:00am

Mount Gambier Library

Wicking Beds are self-contained raised garden beds with built-in reservoirs that supply water from the bottom up.

Your gardens will thrive with this perfect option for busy people who don't always have time to get into the garden.

Join our Environmental Sustainability Officer as he demonstrates how to build a Wicking Bed and discover how easy it is to implement at home, either from kit or DIY.

BEGINNER METAL STAMPED JEWELLERY

Thursday 7 September 6:30pm - 8:00pm

The Riddoch Arts & Cultural Centre

Cost: \$15 per person/\$10 concession

Have you ever wanted to try metal stamping? Join us for this beginner workshop where you will learn the basics of metal stamping for jewellery making purposes. The stamped shapes that you create can then be used to make necklaces, bracelets, earrings and more.

The possibilities are endless.

All materials supplied.
